WHY A PRAYER BREAKFAST?

The Ottawa Civic Prayer Breakfast is our opportunity as Christians to gather and pray together, in the name of Jesus Christ, for our city, for our elected and appointed officials, and for our First Responders.

MORE PRAYER

We seek to magnify our mandate as Christians to *pray always* for those in authority and those providing security for our beloved city.

"Pray...for all others who are in authority over us, or are in places of high responsibility, so that we can live in peace and quietness, spending our time in godly living and thinking much about the Lord."

1 Timothy 2:2 TLB

"Seek the peace and prosperity of the city...Pray to the Lord for it, because if it prospers, you too will prosper."

Jeremiah 29:7 NIV

GOD, thank you for our Civic Leaders.

Bless them with your vision, wisdom, and courage. Give them sound judgement in every challenge they face. Place them where they can use their strengths. Heal their bodies from illness and their souls from distress. Give them joy in serving and may our city thrive as they thrive.

GOD, thank you for our First

Responders. Surround them with your protection physically, emotionally and spiritually. Help them to have a strong, healthy family life. Heal each trauma they experience. Bless them to do the work they love and to be your hands and feet in our communities.

In Jesus' name we pray, Amen
